Experience

Revolution Beauty *Freelance Designer*

- ◇ I update and design packaging dielines to adhere to U.S. regulations, create VAC display forms for products, and create promotional posters.
Northbrook, IL February 2018-

Blogger

- ◇ Creator and content maker for dessertsanddesignstudios.com/Blog including recipe testing and development, production, and food photography.
Chicago, IL November 2016 -

Finance Information Group *Freelance Designer*

- ◇ Using data visualization I was responsible for creating and updating charts and graphs for a finance/tech publication printed bi-monthly. I also created program guides and advertisements to be printed in the publication.
Chicago, IL August 2017 - February 2018

World Business Chicago *Creative Design Intern*

- ◇ I created web templates for different initiatives, along with logos and stationery suites. I designed and printed large format posters promoting the "Chicago Climate Change Summit" as well as an overall WBC style guide for internal use.
Chicago, IL September - December 2017

Chicago Public Schools *Graphic Design Intern*

- ◇ Designed logos for "Back to School" and "Stemville Robotics Competition." Created printed brochures, banners, and invitations to promote such events. Updated monthly newsletter publications sent to parents via email.
Chicago, IL March - September 2017

Animal Care League of Chicago *Graphic Design Intern*

- ◇ Designed printed invitations and posters for holiday charity events along with web banners and social media content to promote the events.
Chicago, IL September - December 2016

Professional Memberships

- ◇ AIGA Chicago
- ◇ The Society of Typographic Arts
